

A little note from us.

Please can we remind you to ensure your child has a spare set of clothing in their bag in case of any accidents.

Also please ensure that your child's orange home link book is placed in the basket on their first session of the week, we can then ensure we look at the wonderful work they have done and have this ready to return to you on their last session.

Also please label all of your child's possession i.e. coat, drinks bottle and lunch box... It is very difficult for us to identify which items belong to whom when they are not labelled.

Thank you.
