

Dear Parents/Carers

25th May 2018

We have been enjoying the lovely weather this week getting out on the field for PE and break times. During our forest school sessions some of us made a fire and cooked root vegetables whilst the other children took part in a practical session to work out how rivers flow.

The Year 2 children have worked really hard with their assessments - well done everyone.

Over half term we would like the children to enjoy a good book or two, maybe you could visit Barnstaple Library and take part in one of their themed weeks. We will start homework after half term.

The children were very excited to take home their sunflowers that they have been nurturing. They should all know how to look after them and bring them back after half term to compare how much they have grown.

RHS Rosemoor Gardens - 4th, 6th and 7th June
