ORCHARDVA-

## A message from the Head of School.

I hope that you have all had a restful Easter break and it is great to see you all back at school again for the summer term.

I would like to thank staff and pupils alike for their contributions to our highly positive recent Ofsted in inspection. We continue to be a good school with strong leadership that is constantly thriving for improvement in all that we do. You can find the full report on the website if you would like to read it.

I am looking forward to an exciting summer term packed with events and activities for the children to take part in such as the Vintage Fair and the opening of the forest school area so watch this space. The Friends of Orchard Vale have some lovely events planned for families and pupils such as a Tuck Shop, Bingo Night and School Disco so I hope to see you there.

Finally, as the weather gets warmer it is time to get our summer school uniform out. If you are not sure what the summer uniform options are please check on the website or with your class teacher or team leader who can provide you

Year 5 children enjoyed a fantastic day at Shebbear College today. The day was science-based and the children took part in a range of incredible activities which included observing a heart/lung dissection, creating non-Newtonian 'slime' and exploring the properties of liquid nitrogen! The children and adults all had a wonderful time; we look forward to more links with Shebbear College and STEM.
