

Making the most of the wonderful weather we have started practicing for our sports day on Thursday, 12th July. The races are going to be extremely close as the children are very determined.

In class we have been consolidating our Roman numeral knowledge and linking this to time. We have begun to plan our own narrative pieces in Literacy, concentrating on enhancing sentence structures. In science, we have looked at sound and discovered how sounds are made and how they travel. Perhaps during our visit to We the Curious next week we will look at some of their sound exhibits.

Homework

The homework this week reflects the consolidation work we have been doing in class on Roman numerals and is a recap of prior learning over the past few weeks. For our times tables test next Friday, we would like the children to revisit their 11 and 12 times tables.

We the Curious Trip - Friday, 22nd June

We are really looking forward to our trip next Friday. A reminder will be sent home on Thursday but please remember this is an early start. Children will need to be in the school hall for 7.30am and we anticipate returning to school at approximately 5.45/6pm.

Race for Life - Friday, 29th June

We hope the children are looking forward to taking part in the OV Race for Life. Please don't forget to get some sponsors; every little helps.

Parent/Pupil/Teacher interview - Monday, 2nd July (Non pupil day)

Today your child will be bringing home confirmation of your time slot for your Parent/Pupil/Interviews. If you have not already requested a time slot and would like to discuss your child's report please contact your class teacher so they can arrange a suitable time.
