

## **Parking Reminder for Parents and Carers**

Please can we remind parents and carers not to put our families at unnecessary risk by parking on the cycle lanes. 'Drop off' and 'pick up' are busy times of the day Please park within the allocated parking zones approaching Kingfisher Drive and Larkspur Gardens (just past Orchard Vale Community School).

Should you need to park within residential areas, please do so respectfully. We regularly liaise with the Civil Enforcement Officers and the Police who monitor our roads.

Thank you for your continued support.
