

Well done to the children who took part in the annual Barnstaple Schools' Olympic Legacy Festival at Park School on Thursday. They all performed brilliantly.

This week we have enjoyed exploring the text 'The Robot and the bluebird' by David Lucas. We are beginning to look at sentence structure, grammatical features and have explored characters' feelings, personality traits and appearances.

In maths, we have started to look at Roman numerals, telling the time using these and recapping our conversions between fractions and decimals.

In topic, we are beginning to look at sound in science. We have explored outdoor artwork in forest school and we have looked at the evolution of robots over time.

Homework

The children will bring home spellings for next Friday's test as well as grammar practice sheets. It would be lovely if the children could complete another task from the Summer Homework Task Sheet.

Eco Club

Mrs Manley and Miss Felgate have enjoyed working alongside the children who attended Eco Club through the year. This club will not be running over the summer months.

Race for Life - Friday, 29th June

We hope the children are looking forward to taking part in the OV Race for Life. Please don't forget to get some sponsors; every little helps.

Dear Parent/Carer

4th June 2018

We have organised parent/pupil interviews for Monday, 2nd July. We hope that this will give you and your child a variety of times to meet with us to discuss their progress this year and class lists for September 2018.

Monday, 2nd July 2018 between 8.30am and 4pm

Your child will need to be with you for these interviews. Whenever possible we will try to arrange appointments for siblings in other classes that are close together.

Appointments are 15 minutes each and are specifically to discuss your child's end of year report and the targets for future learning. These targets will be discussed with you at the interview. Action to achieve these targets will then be planned together.

If there are matters which you would like to discuss without your child being present, or if there are areas needing discussion which is greater than the allotted 15 minutes then a further appointment will be made at a mutually convenient time. It is important to keep to time, especially for those parents who have later appointments. We hope you will help us to achieve this.

Please fill in the attached appointment slip and return it to your Class Teacher by **Monday, 11th June**. We will then return the slip on Friday, 15th June, with an appointment date and time for you. **Please check with your child for this return slip.**

If you cannot attend these parent/pupil interviews please see your child's class teacher to arrange an alternative time.

We look forward to meeting you all very soon.

Kind Regards

Fiona Pearce
