

My week at nursery

2nd – 6th October 2017

Things I have been doing this week...

This week we have been learning all about germs, and how we keep ourselves clean and healthy. We have all taken part in a glitter germs experiment, where we dipped our hands in some glitter and pretended these were germs, we then went around touching different things to see how quickly the glitter germs were spread.

Once we had finished discussing how far the glitter germs had spread we tested the best way to wash our hands. Just using water did not work very well, so we tried using soap and found this cleaned away all the germs.

Others things I may have enjoyed are:

Marble run

Glitter water

Pink playdough

Writing our names using white boards and pens

Playing in the home corner

Farm and wild animals

Listening to stories

Trains

And playing in the nursery garden.

Stories I have listened to this week...

Little Princess using the toilet.

Keeping healthy fact books from the library box

Songs we have been singing with 'Wozzy'....

Nursery Rhymes

I'm a Little girl/boy sitting on a stone

Words I have been learning this week...

We have also been thinking about how important it is to use the toilet and that when you do have an accident it is ok, you just have to let a grown up know so they can help keep you clean and healthy.
