## A message from the Head of School.

I would like to welcome you all back after the Christmas break and wish you a Happy New Year.

This term we will be focusing on further developing our sustainability and eco-credentials. To kick start the project we have a recycling bin at the top of the KS2 stairs for recycling Christmas cards and will be encouraging the children to reuse, recycle in the classrooms and reduce their carbon footprint by walking to school when they can. The class Eco warriors will be leading the projects in the classroom and we have many more projects planned for the rest of the school year so watch this space.

### Spotlight on Staff:

Name: Sue Manley

Favourite Book— Treasure Island.

Favourite Film: Mary Poppins.

Hero: Mr Williams an old primary school teacher.

### Re-cycle your Christmas Cards

Thank you to those of you that have brought in your old Christmas cards for our recycling project. We will also be grateful for any empty sweet or chocolate tins.

### Balance ability.

We are looking forward to having the Balance ability activity workshops in on the week commencing Monday 22nd January. Places have now all been allocated. If you completed and returned an application form you all have a place.

### Reminder

Please remember we have a no dogs on site policy. This also includes tying them to the playground fencing.

2018 will see the school focusing on one of its Core Values. With this in mind we have signed up to a Waste Action Support Project (WASP), which is run by Devon County Council. We have lots of ideas on how we can reduce our waste and make this sustainable. Keep reading your newsletters to find out what we are getting up to and how you can help.
