

Some of us have enjoyed making vegetable crisps on an open fire in forest school this week - yum!

In literacy we have been writing our own versions of Mole's Sunrise and explored similes by writing our own - there have been some interesting ideas. In maths, we have continued to work on adding, relationships between addition/subtraction and using money to make different totals.

Following the parent/pupil/teacher interviews we would just like to reiterate that if you have any matters you would like to raise during the school year your class teacher is always happy to talk to you or arrange a convenient time if a longer meeting is required.
