Hello! As a school council we have decided to keep you updated halftermly on what has been happening! We have been busy this half term, as you will see! If you have anything you would like us to discuss please come and let us know! Elliott, Rebecca, Megan, Tolly, Ben, Aliyah, Taren, Kayleigh, Mia, Charlie, Joel and Olivia.

## Fair Trade

At the beginning of term we met with Miss Crabb to discuss our ideas for Fair Trade. Miss Crabb contacted Tesco on our behalf, and we are hoping to have a visit to their stores after half term to look at the range of Fair Trade products they stock. We are also hoping to meet with Park School's Fair Trade Steering group to discuss ideas.

## Cloakrooms

We have continued monitoring the KS2 cloak- rooms this half term. We have seen much tidier cloak rooms, and it was very close between two classes, but an overall winner of "The Tidiest Cloak Room" certificate has been chosen and will be announced in assembly on Friday.

## Future Projects

We have been invited to enter the "Tidy Up Our Town" event again this year, which has various competitions running as part of it.

Barnstaple Tidy Up Our Town week is from 28 April - 3 May, ending with a Community Day in Pilton Park on Saturday $3^{\text {rd }}$ May, which is free and open to everyone. We are hoping to enter the drawing competition for our younger children and a photography competition for older children. We are also thinking about areas we could "tidy up" within Whiddon Valley.

## Speakers School Council Awards 2014

We were very excited to receive a letter from the Rt Hon John Bercow inviting us to enter the Speakers School Council Awards 2014. We are in discussions at the moment with regards to which project we want to enter into the competition. The prize, if we were lucky enough to win, would be a trip to The Houses of Parliament. We will inform you in our next newsletter of our entry.

## Farm to Fork

Tesco have launched a new initiative for school children designed to teach children where their food comes from. The initiative is to encourage children to develop better relationships with food. Under the "Tesco Eat Happy Project" children are invited to visit stores and enjoy a curriculum based tour ending with investigating different foods by using all their senses. We have registered an interest with Tesco in this and are waiting to hear back from them with more information. We will update you in the next newsletter.

We hope you have a fantastic half-term!
