

Student Name:

I am going the extra mile for children living in poverty

I am taking part in a challenge to walk a mile a day EVERY day. I am doing this alongside other students across the UK. Together, we will take on the challenge of walking 238,900 miles, which is the distance from the earth to the moon. I am taking part in order to raise money for children living in severe poverty. Please can you help by sponsoring me? Every penny counts!

Edukid supports children living in poverty by providing them with an education. In particular, Edukid focuses on former child soldiers, abductees, orphans, child led families, HIV/AIDS and those living in extremely poor conditions. It is through education that these children can gain qualifications and skills to help them find work, to be self-sufficient and to break out of the cycle of poverty. Every penny raised through my sponsorship will be used to enable a child to go to school.

Do you pay tax? If so, by simply completing this form you can boost the value of your gift by 25p for every £1 without costing you a penny! Add 25% to your donation at no extra cost to you. To claim gift aid please give online.
