

Solo

Let me – hear you – sing....
Sing it together, louder than ever,
Forget everything.
Just sing, like it's what we've been missin'
And they're gonna listen, listen,
Forget everything.
Just sing.

Verse 1 – (Nursery, Reception, KS1)

You think you've gotta hide it
Don't keep it on the shelf
Let your waist start movin'
Watch the way I do it, do it
See me do it like nobody else.
If we sing it all together
(If we sing it all as one)
It's louder than yourself
(All together everyone)
Everybody's lookin'
Watch the way we do it, do it

'Cause we do it like nobody else (possibly keyworker children in school)

Let me hear you sing
Don't you stop it, don't you fight it
Let me hear you sing
If you got it, can't deny it
Let me hear ya
It's waitin' for ya already

You know that you do it like nobody else (possibly keyworker children in school)

Chorus

Just sing
Sing it together
Louder than ever, ever
Forget everything
Just sing
Like it's what we've been missin'
And they're gonna listen, listen
Forget everything (let me hear ya)

Verse 2 (KS2)

Hey, I been right here where you're standin'

(I've been standin' on the ground)

And the walls are cavin' in

(All the walls are fallin')

But my lips start movin'

With the soul I put into it

And you've never heard it done like this

Let me hear you sing

Don't you stop it, don't you fight it

Let me hear you sing

If you got it, can't deny it

Let me hear ya

It's waitin' for ya already

You know that you do it like nobody else

Chorus

Just sing

Sing it together

Louder than ever, ever

Forget everything

Just sing

Like it's what we've been missin'

And they're gonna listen, listen

Forget everything
